Contract for Supervised Courses 498: Undergraduate Honors Thesis

Description:

PSY 498 is an independent research project to be completed over the course of two semesters and supervised by a faculty member in the Psychology Department. Students are required to register for two semesters. Grading is by letter grade.

Requirements:

The student must have completed Experimental Psychology (410), must have a 3.5 GPA overall and a 3.75 in the major.

Directions:

Complete this form with the assistance of the faculty member who will supervise the study.
